Lesson 2

Name _____

RIPPLES OF KINDNESS

Do you know what happens when you drop a stone into some water . . . ?
(Try it!) Draw a picture of what you see.

The stone makes ripples in the water . . . which get bigger and bigger . . .
When I do something kind . . . it's like that
kindness ripples out to other people . . .
(I think that's because when we treat people kindly . . . they feel good . . .
and want to treat someone else kindly . . . which makes that
other person feel good . . . so they want to treat someone else
kindly . . . and the kindness just keeps spreading out . . .)

When I start ripples of kindness I am helping to make our world a better place . . .

Here's an example of how I could start a ripple of kindness-

And here's what might happen next -

And next . . .

And next . . .

When I make ripples of kindness, I am showing that I . . .

(colour in!)

LOVE GOD
AND
LOVE OTHERS

JUST LIKE JESUS DID . . .

**WHEN I START A RIPPLE OF KINDNESS, I AM
CHOOSING JESUS' WAY..**

Sometimes choosing Jesus' way means doing something like . . .

Sometimes choosing Jesus' way means not doing something like . . .

CHOOSING JESUS' WAY MAKES
MY WORLD A BETTER PLACE!
